Echo Digital and Creative, based in Hull, is a full-service digital agency, delivering a wide range of services to the education sector including networking, cloud hosting, consultancy, training and communication solutions.

Managing Director Steve Axiotes, works closely with Admiral Leasing & Loans, providing finance facilities for IT requirements to schools.

Steve comments,

"I have worked with Admiral Leasing & Loans for almost five years and I wouldn't use anyone else. My Account Manager, Sam Peel, is phenomenal to work with, nothing is too much trouble for him, he bends over backwards. What I love about working with them is that they have the same customer service ethos as me, everything is dealt with professionally, efficiently and quickly.

The service I get from Admiral Leasing & Loans is first class and I wouldn't hesitate to highly recommend them, in fact I do, often."
